11) You'll receive the following message once Flash has been installed.

Flash 8 Installation Auto-reminder

If you have not updated to the latest version of Flash, you may see a Flash update installation reminder, reminding you to upgrade.

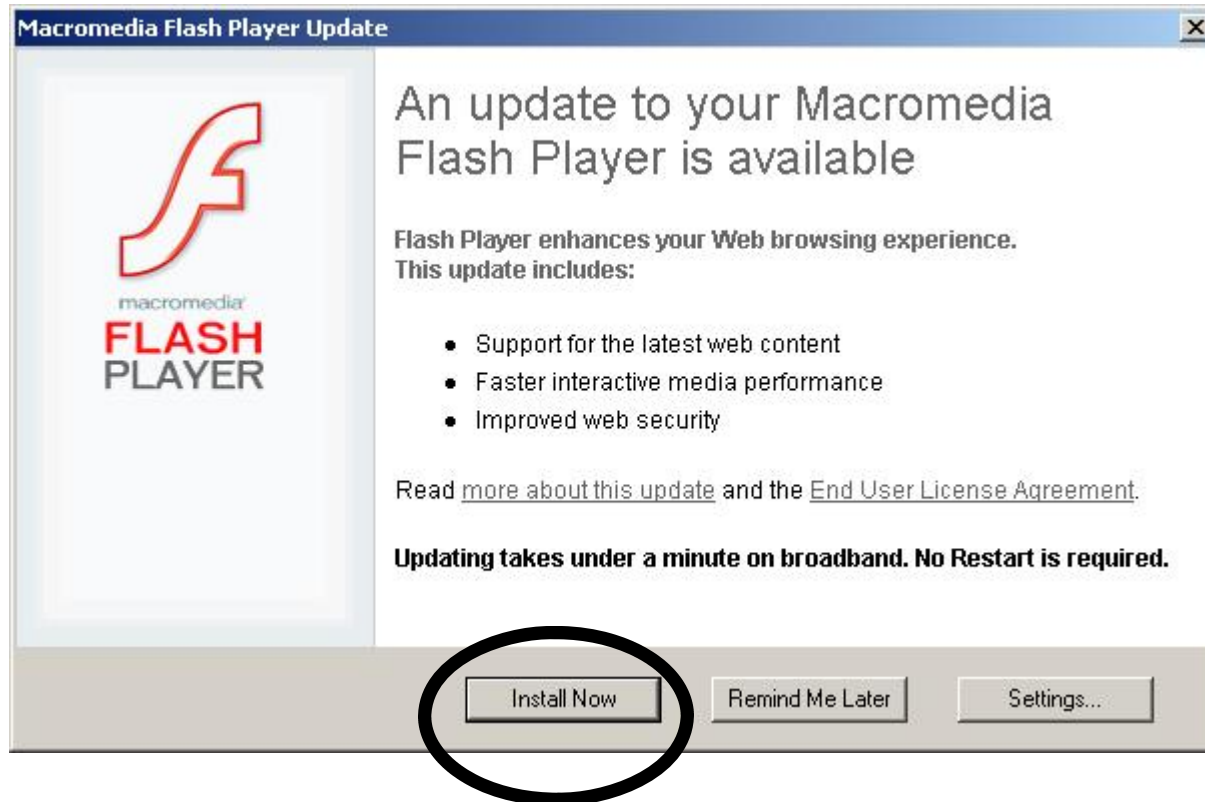

If so, go ahead and click where it says “click here” to update your computer to the latest version of Flash.

Flash 8 Installation Auto-reminder

After you click on “click here” you will see the following screen.

Click “Install Now”

Flash 8 Installation Auto-reminder

You will receive the following message when your installation is complete.
